NATURAL ODOR CONTROL

SWEET PDZ

A FRESH AND HEALTHY ENVIRONMENT FOR EVERY STALL.

Sweet PDZ products are made from **premium-grade natural zeolite**, a mineral that captures and neutralizes ammonia rather than simply covering odors with fragrance. The products are non-toxic, compostable, and contain no perfumes or masking scents.

PRODUCT HIGHLIGHTS:

NATURALLY CAPTURES & NEUTRALIZES AMMONIA
Works at the source to capture and neutralize ammonia rather than simply covering up unpleasant odors.

ABSORBS MOISTURE & CONTROLS ODORS
Helps absorb excess moisture while reducing odors to keep stalls and coops fresher, drier and more comfortable.

ALL-NATURAL, NON-TOXIC & SAFE FOR ANIMALS
Made from naturally occurring zeolite with no perfumes making it a safe choice for everyday animal care.
