

FOR DOGS OF ALL SIZES

Aspiriflex

ASPIRIN GEL

arthritis formula

NATURAL
LIVER
FLAVOR

For use in dogs for temporary relief
of arthritis, pain or inflammation.

Directions: Give one-half cc per 25 lb. body weight as needed but no more than twice daily. Place on the back of the tongue.

Ingredients: Soybean oil, salmon oil, aspirin, silicon dioxide, natural liver flavor.

Guarantee: Each one-half cc contains 250 mg of aspirin.

Warning: For use in dogs only. Keep out of reach of children and other animals. Lethargy, vomiting and/or diarrhea may be signs of overdose. If any of these occur reduce the amount being given or discontinue use. If signs continue for more than 3 days see your veterinarian.
